Re: Pipeline Petroleum Services, Inc. – Letter of Recommendation

To Whom It May Concern:

We have worked with Mr. Joe Jackson and Mr. Dennis Cobb for many years, as Pipeline Petroleum Services and when they were with other firms. During this time, they have always been professional and courteous, and they have shown superior expertise related to their services in the petroleum sector. We would highly recommend them to our clients due to their qualifications and excellent record of customer satisfaction.

Please contact us if you have any questions or need more information.

Sincerely,
Austin Brockenbrough & Associates, L.L.P.
