**DOT CERTIFIED • PIPELINE PIGGING • PRESSURE TESTING • FACILITY SERVICES**

## CAPABILITY STATEMENT

**Central Contractor Registration Cage Code: 4JQY4**

Pipeline Petroleum Services, Inc. (PPSI) is a SBA Certified 8(a) Contractor, as well as, a small, disadvantaged, minority-owned business that provides industrial pipeline and tank services to the petro-chemical industry. We perform similar services on mission critical fueling systems for the US Government and all branches of the Military.

Our employees possess a firm commitment to quality and are highly experienced, trained, and motivated. PPSI has maintained a *Zero Lost Time Accident Rate* since its beginning in 2006. Presently we carry an EMR rating of .84. The extensive education and training of our employees includes but is not limited to 40 hour HAZWOPER (Hazardous Waste Operations), confined space entry & rescue, first aid / CPR, and Shipyard Competent Person training.

We are a Class A Contractor, fully insured and bondable. PPSI is DOT qualified and is a member of ISNET, with information such as DOT OQ qualifications and third party approved safety records available at [www.isnetworld.com](http://www.isnetworld.com) PPSI is a certified Virginia Minority Owned Business (SWAM Certification # 656808)

We are also certified in the State of California to perform pipeline hydrostatic pressure testing and our listing can be found at the following website: <http://osfm.fire.ca.gov>
